Sacred Cycles Celebrant Training Book List

(this is a very short list, I know! I just haven't read many books on the topic. I actually haven't read the last one here by Hans Hills – it just looked interesting to me!)

- The Joy of Ritual by Barbara Biziou
- Joining Hands and Hearts by Rev. Susanna Macomb
- The Complete Celebrant Handbook: How to Officiate Weddings, Memorials, and more, from Beginner to Professional by Han Hills
